QUESTIONNAIRE

1. What functions does your agency perform in developing and/or coordinating nonmilitary defense activities in economic, political, or psychological areas? Cite briefly the statute, Executive order, or other instructions on which each of these activities is based.
2. What facilities have you established to carry out these functions? How large is the staff assigned to this field? Are you making use of the assistance of other agencies in this connection?
3. Of what coordinating bodies concerned with such nonmilitary defense is your agency a member, and what functions in this field do they perform?
4. State in summary form what original thinking or forward planning in the fields under inquiry your agency is currently engaged in.
